INSTRUCTOR - ELOISE:

Sadly, Eloise is leaving us at the end of this term. We know you would like the opportunity to bid your farewells. Please wish her well when you come in next week for your lesson. Eloise has been with us for almost three years and has been an integral member of our team. She has worked many hours including cover shifts and our holiday programs. Eloise has always been very professional and diligent in her instructing and has taken great pride in her work. We wish Eloise the absolute best for her future and know she shall always be fondly remembered.

INSTRUCTOR CHANGES:

Due to the departure of Eloise, there shall be a number of changes to the staff roster. We need to fill the shifts she has generally worked and accommodate the needs of other instructors with uni placements etc. We shall also be training a couple of new instructors so we can extend our list of qualified staff.

We ask for your patience and understanding in this process. Whilst change is difficult at times for some, it is also inevitable in life.

WAITING LIST:

No availability for school-aged children for Term 2...sorry. We will keep you on the list.

All preschool-aged and baby levels shall be contacted in the next couple of weeks.

COMMUNICATION: PLEASE CHECK THE MANY WAYS WE TRY TO DO SO WITH YOU: Facebook, Whiteboard, Newsletter, Invoice, SMS, Email, Verbally at reception or pool, Website, Telephone, Signs...we can only try 😊
